

YUAN FOR PEACE

PLANS FOR LIGHTENING BURDEN
OF PEOPLE

FIRST NEED IS FINANCE

SHI KAI OUTLINES CHINESE NEW
GOVERNMENT POLICIES

Brief Synopsis of the Manner and
Means by Which New President
Will Attempt to Place China
On Her Feet

Peking.—Yuan Shi Kai, president of
the Chinese republic, delivered his
first verbal message in the form of a
speech at the opening Monday of the
session of the advisory council which
practically is a provisional senate.

The president proclaimed that the
principles of the new Chinese govern-
ment must be the maintenance of or-
der in the interior, the achievement
of progress and the retention of ex-
ternal friendships which are neces-
sary to the existence of China.

The attitude of foreign powers in
recent years, he said, had been such
as to merit the gratitude of China.

The most important matter at pres-
ent, the president said, was finance.
Foreign capital was essential to China
and the government was drafting the
principles of a financial reform; it
was negotiating with the powers for
an increase of the customs duties and
the abolition of transit taxes and the
reduction of the export taxes by which
the income from the maritime and
native taxes would be increased to
approximately \$42,000,000 from the
present total of approximately \$30-
\$30,000.

The increase, he said would suffice
to pay for the amortization of the for-
eign loans. He hoped the railroad
and other loans would pay for them-
selves.

Yuan Shi Kai recommended plans
for lightening the burden of the peo-
ple, for proper survey of lands, for a
new scale of taxation, for a unified
system of currency and for standard
weights and measures. He declared
that owing to the insufficiency of finan-
cial experts among the Chinese the
employment of talented foreigners
was necessary.

He pointed out that industrial de-
velopment had become of the first im-
portance. Ministers of forestry, in-
dustry and commerce would be estab-
lished, he said.

The troops in China, said Yuan Shi
Kai, are unnecessarily numerous and
the ministry of war had been instructed
to reduce their number.

Religious liberty would, he asserted
be guaranteed.

On Trial for Murder

Walkerville, Cal.—John Nelson, one
of the four youths charged with the
murder of Peter Roberts in the Had
river county near here last Febru-
ary, was arraigned in court for trial.
The three other members of the quar-
tette, ranging in age from 16 to 20
years, already have been tried and
convicted.

Taxes Suspend Business

Amoy, China.—Reports were re-
ceived from Tungan, on the east coast
of Kwang Tung province, that serious
disturbances have resulted from an at-
tempt to collect the liquor or transit
taxes. All traffic in the neighborhood
has been suspended.

Teachers Convene

Charleston, S. C.—With President
Finley of the Southern railway, Prof.
Charles W. Kent of the University of
Virginia, and several other persons
of wide note on the list of speakers,
South Carolina school teachers as-
sembled in this city for what prom-
ises to be the best convention ever
held by their state organization.

French Aviator Fatally Hurt

Paris.—Jules Vedrines, foremost
aviator of France, was probably fat-
ally hurt by a fall with his monoplane
at St. Denis, a suburb of Paris, while
flying from Douai, in the department
of the Nord, to Madrid. Vedrines was
ambitious of creating a new record
for an airman by flying from Brussels,
Belgium to Madrid, Spain, in twenty-
four hours.

Killing in Sweetwater

Sweetwater, Texas.—Clayton Black,
recently tried and acquitted on a
charge of attempt to murder "Bill"
Echols in August, 1910, was shot and
killed by Echols on the streets of
Coahoma, Texas. Black, said to have
been unarmed was shot down when
the two men met on the street.

Mexico Changes Ambassadors

Washington.—Senor Don Gilberto Y
Crespo, the Mexican ambassador to
the United States who recently was
transferred to his former post at
Vienna, said farewell to state depart-
ment officials Saturday.

SO BLUE ALMOST CRAZY

Mineral Point Lady Tells About An
Experience That Almost Drove
Her Insane.

Mineral Point, Mo.—Mrs. Clara
Cluff, of this place, says: "I had a
pain in my left side and back, and
suffered a great deal with womanly
troubles."

I would take spells that lasted two
or three days, when it seemed like I
was uneasy all the time, and didn't
feel like doing anything.

I couldn't sleep good at night. I
felt as though I had just done a hard
day's work.

I had suffered for six years, and I
can't tell you just how I did feel, I
felt so bad. The doctors' treatment
didn't seem to help, and I was so blue
I was almost crazy!

I tried Cardui, and before I had
taken two bottles I felt much better.
I took 12 bottles in all.

Now, though I haven't taken any
for a good while, I still feel all right
—better than I have for years.

I would have been crazy if Car-
dual hadn't helped me.

Cardui will help you, just as it help-
ed Mrs. Cluff.

Why not try it?

It may be just the very thing your
system has long been craving.

See if it isn't so.

BABY'S TERRIBLE SUFFERING

"When my baby was six months old,
his body was completely covered with
large sores that seemed to itch and
burn, and caused terrible suffering.
The eruption began in pimples which
would open and run, making large
sores. His hair came out and finger-
nails fell off, and the sores were over
the entire body, causing little or no
sleep for baby or myself. Great scabs
would come off when I removed his
shirt.

"We tried a great many remedies,
but nothing would help him, till a
friend induced me to try the Cuticura
Soap and Ointment. I used the Cuti-
cure Soap and Ointment but a short
time before I could see that he was
improving, and in six weeks' time he
was entirely cured. He had suffered
about six weeks before we tried the
Cuticura Soap and Ointment, although
we had tried several other things, and
doctors, too. I think the Cuticura Re-
medies will do all that is claimed for
them, and a great deal more." (Signed)
Mrs. Noble Tubman, Dodson,
Mont., Jan. 28, 1911. Although Cuti-
cure Soap and Ointment are sold by
druggists and dealers everywhere, a
sample of each, with 32-page book,
will be mailed free on application to

Very Different.

"No, she hasn't any such ideas.

stead.

Said he: "Have you read that sign
of yours lately?"

She said she had not.

"Well," said he, "you'd better, and
then have it edited. It is dated six
years ago and says you have six small
children dependent upon your efforts
with this instrument for support. Six
years works wonders in children, and
they must be pretty lusty youngsters
by this time. Change that date to
1912."

How Old Was He?

In a country school the boys of a
certain grade were devoted to their
teacher, a young lady of many charms.
One little fellow of rather uncertain
age was constantly proving his devo-
tion by little acts of kindness, which
did not escape the notice of the teach-
er. Coming up to him one day she
put an arm about his shoulders and
said: "I believe I will kiss you for
being so good to me, but how old are
you?"

"Oh, that's all right," he said, "I
am old enough to enjoy it."—Mack's

Easily Overcome by Counsel.

"The trouble is," said Wilkins as
he talked the matter over with his
counsel, "that in the excitement of
the moment I admitted that I had been
going too fast, and wasn't paying any
attention to the road just before the
collision. I'm afraid that admission
is going to prove costly."

"Don't worry about that," said his
lawyer. "I'll bring seven witnesses
to testify that they wouldn't believe
you under oath."—Harper's Weekly.

its never failing results, its
purity.

Wonderful in its economy.
It costs less than the high-price

much. It costs a trifle more than
the cheap and big can kinds—
it is worth more. But proves its
real economy in the baking.

THE SECRET OF LONG LIFE.

Do not sap the springs of life by neglect of the human mechanism, by allowing
the accumulation of poisons in the system. An imitation of Nature's method of
restoring waste of tissue and impoverishment of the blood and nervous strength is
to take an alternative glyceric extract (without alcohol) of Golden Seal and Oregon
grape root, Bloodroot, Stone and Mandrake root with Cherrybark. Over 40 years
ago Dr. Pierce gave to the public this remedy, which he called Dr. Pierce's Golden
Medical Discovery. He found it would help the blood in taking up the proper ele-
ments from food, help the liver into activity, thereby throwing out the poisons from
the blood and vitalizing the whole system as well as allaying and soothing a cough.

No one ever takes cold unless constipated, or exhausted, and having what we
call mal-nutrition, which is attended with impoverished blood
and exhaustion of nerve force. The "Discovery" is an all-
round tonic which restores tone to the blood, nerves and
heart by imitating Nature's methods of restoring waste
of tissue, and feeding the nerves, heart and lungs on rich
red blood.

"I suffered from pain under my right shoulder blade also a very
severe cough," writes Miss W. Dotts, of New Brookland, E. C., to Dr.
R. V. Pierce, Buffalo, N. Y. "I had four different doctors and none did
me any good. Some said I had consumption, others said I would have
to have an operation. I was bedridden, unable to sit up for six months
—and was nothing but a live skeleton. You advised me to take Dr.
Pierce's Golden Medical Discovery and Dr. Pierce's Pleasant Pellets.
When I had taken one bottle of the 'Discovery' I could sit up for an
hour at a time, and when I had taken three bottles I could do my
cooking and tend to the children. I took fourteen bottles in all and was
then in good health. My weight is now 167 pounds."
